This question only applies if Materials which will be used is Other

Describe other

This section only applies if Materials which will be used is Asphalt

ASPHALT

Asphalt task(s) performed on silica generating material

This question only applies if Asphalt task(s) is 1632611

Describe other

This section only applies if Asphalt task(s) is 1632594

Asphalt - Abrasive blasting

Control method

Respiratory Protection - Abrasive Blasting Other

This question only applies if Abrasive Blasting Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632595

Asphalt - Bushhammering

Control method

Respiratory Protection Other

This question only applies if Bushhammering Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632596

Asphalt - Cutting/sawing

Control method

Hand-Held Angle Grinder with Vacuum (Table 1 Entry) Hand-held Masonry Saw with Water (Table 1 Entry) Walk-Behind Saw with Vacuum

Walk-Behind Saw with Water (Table 1 Entry) Other

This question only applies if Cutting/sawing Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632597

Asphalt - Demolishing/disturbing

Control method

Ducted Fan Unit with Water Heavy Equipment with Cab Filtration System (Table 1 Entry) Other

This question only applies if Demolishing/disturbing Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632598

Asphalt - Drilling/coring

Control method

Hand-Held Drill with Dust Extraction (Table 1 Entry) Hand-Held Drill with Vacuum (Table 1 Entry) Other

This question only applies if Drilling/coring Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632599

Asphalt - Earthmoving

Control method

Respiratory Protection Other

This question only applies if Earthmoving Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632600

Asphalt - Grinding

Control method

Highway Milling Machine with Water & Vacuum (Table 1 Entry) Highway Milling Machine with Water (Table 1 Entry) Other

This question only applies if Grinding Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632601

Asphalt - Jackhammering

Describe other

Control method

- Jackhammer with Vacuum (Table 1 Entry) Jackhammer with Water (Table 1 Entry) Other

This question only applies if Jackhammering Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632602

Asphalt - Milling

Control method

- Highway Milling Machine with Water & Vacuum (Table 1 Entry) Highway Milling Machine with Water (Table 1 Entry) Other

This question only applies if Milling Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632603

Asphalt - Mixing/pouring

Control method

- Respiratory Protection Other

This question only applies if Mixing/pouring Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632604

Asphalt - Polishing

Control method

- Respiratory Protection Other

This question only applies if Polishing Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632605

Asphalt - Sacking/patching

Control method
<input type="checkbox"/> Respiratory Protection <input type="checkbox"/> Other

This question only applies if Sacking/patching Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632606

Asphalt - Sanding

Control method
<input type="checkbox"/> Respiratory Protection <input type="checkbox"/> Other

This question only applies if Sanding Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632607

Asphalt - Scabbling

Control method
<input type="checkbox"/> Respiratory Protection <input type="checkbox"/> Other

This question only applies if Scabbling Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632608

Asphalt - Scarifying

Control method
<input type="checkbox"/> Walk-Behind Scarifier with Water (Table 1 Entry) <input type="checkbox"/> Other

This question only applies if Scarifying Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632609

Asphalt - Scraping

Control method

Respiratory Protection

Other

This question only applies if Scraping Control is Other

Describe other

This section only applies if Asphalt task(s) is 1632610

Asphalt - Sweeping/cleaning up

Control method

Respiratory Protection

Other

This question only applies if Sweeping/cleaning up is Other

Describe other

This section only applies if Asphalt task(s) is 1632611

Asphalt - Other

Control method

Other

This question only applies if Other Control is Other

Describe other control method

This section only applies if Materials which will be used is Brick

BRICK

Brick task(s) performed on silica generating material

This question only applies if Brick task(s) is 1632611

Describe other

This section only applies if Brick task(s) is 1632594

Brick - Abrasive blasting

Control method

- Abrasive Blasting System with Water Respiratory Protection - Abrasive Blasting Other

This question only applies if Abrasive Blasting Control is Other

Describe other

This section only applies if Brick task(s) is 1632595

Brick - Bushhammering

Control method

- Respiratory Protection Other

This question only applies if Bushhammering Control is Other

Describe other

This section only applies if Brick task(s) is 1632596

Brick - Cutting/sawing

Control method

- Hand-Held Masonry Saw with Vacuum Hand-Held Masonry Saw with Water (Table 1 Entry) Splitter
 Stationary Masonry Saw with Vacuum Stationary Masonry Saw with Water (Table 1 Entry) Other

This question only applies if Cutting/sawing Control is Other

Describe other

This section only applies if Brick task(s) is 1632597

Brick - Demolishing/disturbing

Control method

- Respiratory Protection Other

This question only applies if Demolishing/disturbing Control is Other

Describe other

This section only applies if Brick task(s) is 1632598

Brick - Drilling/coring

Control method

Core Drill with Water (Table 1 Entry) Hand-Held Drill with Dust Extraction (Table 1 Entry) Hand-Held Drill with Vacuum (Table 1 Entry)

Other

This question only applies if Drilling/coring Control is Other

Describe other

This section only applies if Brick task(s) is 1632599

Brick - Earthmoving

Control method

Respiratory Protection Other

This question only applies if Earthmoving Control is Other

Describe other

This section only applies if Brick task(s) is 1632600

Brick - Grinding

Control method

Respiratory Protection Other

This question only applies if Grinding Control is Other

Describe other

This section only applies if Brick task(s) is 1632601

Brick - Jackhammering

Control method

Respiratory Protection Other

This question only applies if Jackhammering Control is Other

Describe other

This section only applies if Brick task(s) is 1632602

Brick - Milling

Control method

- Respiratory Protection Other

This question only applies if Milling Control is Other

Describe other

This question only applies if Brick task(s) is 1632603

Brick - Mixing/pouring

This question only applies if Mixing/pouring Control is Other

Control method

- Respiratory Protection Other

This question only applies if Mixing/pouring Control is Other

Describe other

This section only applies if Brick task(s) is 1632604

Brick - Polishing

Control method

- Respiratory Protection Other

This question only applies if Polishing Control is Other

Describe other

This section only applies if Brick task(s) is 1632605

Brick - Sacking/patching

Control method

- Respiratory Protection Other

This question only applies if Sacking/patching Control is Other

Describe other

This section only applies if Brick task(s) is 1632606

Brick - Sanding

Control method

Respiratory Protection Other

This question only applies if Sanding Control is Other

Describe other

This section only applies if Brick task(s) is 1632607

Brick - Scabbling

Control method

Respiratory Protection Other

This question only applies if Scabbling Control is Other

Describe other

This section only applies if Brick task(s) is 1632608

Brick - Scarifying

Control method

Respiratory Protection Other

This question only applies if Scarifying Control is Other

Describe other

This section only applies if Brick task(s) is 1632609

Brick - Scraping

Control method

Respiratory Protection Other

This question only applies if Scraping Control is Other

Describe other

This section only applies if Brick task(s) is 1632610

Brick - Sweeping/cleaning up

Control method

Sweeping Compound Vacuum Water - Wet Surface

Other

This question only applies if Sweeping/cleaning up Control is Other

Describe other

This section only applies if Brick task(s) is 1632611

Brick - Other

Control method

Other

This question only applies if Other Control is Other

Describe other control method

This section only applies if Materials which will be used is Cement

CEMENT

Cement task(s) performed on silica generating material

This question only applies if Cement task(s) is 1632611

Describe other

This section only applies if Cement task(s) is 1632594

Cement - Abrasive blasting

Control method

Respiratory Protection Other

This question only applies if Abrasive Blasting Control is Other

Describe other

This section only applies if Cement task(s) is 1632595

Cement - Bushhammering

Control method

Respiratory Protection Other

This question only applies if Bushhammering Control is Other

Describe other

This section only applies if Cement task(s) is 1632596

Cement - Cutting/sawing

Control method

Respiratory Protection Other

This question only applies if Cutting/sawing Control is Other

Describe other

This section only applies if Cement task(s) is 1632597

Cement - Demolishing/disturbing

Control method

Respiratory Protection Other

This question only applies if Demolishing/disturbing Control is Other

Describe other

This section only applies if Cement task(s) is 1632598

Cement - Drilling/coring

Control method

Respiratory Protection Other

This question only applies if Drilling/coring Control is Other

Describe other

This section only applies if Cement task(s) is 1632599

Cement - Earthmoving

Control method

Respiratory Protection Other

This question only applies if Earthmoving Control is Other

Describe other

This section only applies if Cement task(s) is 1632600

Cement - Grinding

Control method

Respiratory Protection Other

This question only applies if Grinding Control is Other

Describe other

This section only applies if Cement task(s) is 1632601

Cement - Jackhammering

Control method

Respiratory Protection Other

This question only applies if Jackhammering Control is Other

Describe other

This section only applies if Cement task(s) is 1632602

Cement - Milling

Control method

Respiratory Protection Other

This question only applies if Milling Control is Other

Describe other

This section only applies if Cement task(s) is 1632603

Cement - Mixing/pouring

Control method

- Bucket Shroud with Vacuum Dust Control Mixer Silo Mortar Dispensing System
 Other

This question only applies if Mixing/pouring Control is Other

Describe other

This question only applies if Concrete task(s) is 1632604

Cement - Polishing

This question only applies if Cement task(s) is 1632604

Control method

- Respiratory Protection Other

This question only applies if Polishing Control is Other

Describe other

This section only applies if Cement task(s) is 1632605

Cement - Sacking/patching

Control method

- Respiratory Protection Other

This question only applies if Sacking/patching Control is Other

Describe other

This section only applies if Cement task(s) is 1632606

Cement - Sanding

Control method

- Respiratory Protection Other

This question only applies if Sanding Control is Other

Describe other

This section only applies if Cement task(s) is 1632607

Cement - Scabbling

Control method

- Respiratory Protection Other

This question only applies if Scabbling Control is Other

Describe other

This section only applies if Cement task(s) is 1632608

Cement - Scarifying

Control method

- Respiratory Protection Other

This question only applies if Scarifying Control is Other

Describe other

This section only applies if Cement task(s) is 1632609

Cement - Scraping

Control method

- Respiratory Protection Other

This question only applies if Scraping Control is Other

Describe other

This section only applies if Cement task(s) is 1632610

Cement - Sweeping/cleaning up

Control method

Sweeping Compound
 Other

Vacuum

Water - Wet Surface

This question only applies if Sweeping/cleaning up Control is Other

Describe other

This section only applies if Cement task(s) is 1632611

Cement - Other

Control method

This section only applies if Materials which will be used is Concrete

CONCRETE

Concrete task(s) performed on silica generating material

This question only applies if Concrete task(s) is 1632611

Describe other

This section only applies if Concrete task(s) is 1632594

Concrete - Abrasive blasting

Control method

Abrasive Blasting System with Water

Respiratory Protection - Abrasive Blasting

Other

This question only applies if Abrasive Blasting Control is Other

Describe other

This section only applies if Concrete task(s) is 1632595

Concrete - Bushhammering

Control method

- Hammer with Bushing Tool and Vacuum Other

This question only applies if Bushhammering Control is Other

Describe other

This section only applies if Concrete task(s) is 1632596

Concrete - Cutting/sawing

Control method

- Drivable Masonry Saw with Water (Table 1 Entry) Hand-Held Angle Grinder with Vacuum (Table 1 Entry) Hand-Held Masonry Saw with Vacuum
- Hand-Held Masonry Saw with Water (Table 1 Entry) Walk-Behind Saw with Vacuum Walk-Behind Saw with Water (Table 1 Entry)
- Other

This question only applies if Cutting/sawing Control is Other

Describe other

This section only applies if Concrete task(s) is 1632597

Concrete - Demolishing/disturbing

Control method

- Ducted Fan Unit with Water Heavy Equipment with Cab Filtration System (Table 1 Entry) Hydraulic Breaker
- Other

This question only applies if Demolishing/disturbing Control is Other

SUMMARY

Describe the housekeeping measures that will be used on the project to limit employee exposure to respirable crystalline silica. Required by 29 CFR 1926.1153 (g)(1) (iii)

Describe the procedures to restrict access to work areas, when necessary, to minimize the number of employees exposed to respirable crystalline silica and their level of exposure, including exposures generated by other employers or sole proprietors. Required by 29 CFR 1926.1153 (g)(1)(iv)

Describe the training that will be provided to workers engaged in dust producing tasks and those working nearby.

Describe medical surveillance that will be provided to workers exposed to silica dust.

Describe other things that need to be taken into consideration when controlling dust on this project.
